INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Appln. No. 44905. June 13, 1908.

Jane Gillespie,

Morristown, Tennessee.

Madam:

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Sir,

In reply to your letter relative to partition in the Eastern Cherokees with regard to why I or my parent or grandparent were never enrolled; is from the fact that I as before been stated was not in condition to give in evidence, at the time it was required to do so, So also with with regard to [illegible] parents & parent they were dead at the time for the Cherokees to get in any claim.

My claim comes more through my [illegible] than mother as I was very little by her as I was stolen away quite young.

I of any of my parents were parties to the treaties of 1835-6 & 1846 I do not know as I was not with them being stolen away & was a slave.

I know my father was never a slave as he lived long enough for me to know more about him than my mother when I became a free man & found my mother had been dead long since.

As clearly as to my knowledge my father was in Richmond Va abut 1865 & I dont know where he was exactly in 1835 as I was away from him as a slave. In the community where I reside I pass as a Colored man.

When I first remember anything at all I was in a care in N. C. in Kings Mt. Rock with my father & mother & so I remember her

she was a dark woman with
very long straight black hair.
In our care my father had deer
meat & all kinds of wild meat
for us to subsist on we had
our bunks upside the wall
to sleep in & all he did was
hunt, sometime he would bring
a deer on his shoulder & ~~smoke~~
my mother or he would smoke
it in our large fire place.

I was small & played out
in an open field one day
with a good many Indian
children as myself & saw some
white men coming & we all ran
but I was caught by one of them
& carried away.

Very Respectfully
Ben Maddox

Guion Miller, Special Com.,

Washington, D. C.

Dear Sir:

Your favor of recent date making inquiry about certain matters concerning my application for participation in the Eastern Cherokee Fund, has been received, and I herein give you the best information that I now have of these matters.

The reason that I never was enrolled until now, was simply because I never knew of the appropriation being made, or that any provision was made for them until a short time before my application was filed, and I filed it as soon as I could get it done after learned the facts.

My father and mother have been dead for may years, and also my grandparents.

None of my ancestors were slaves that I ever knew of or heard of. I pass as white in my community, but it has always been understood by my neighbors that I am part indian.

I can't say whether or not any of my ancestors were parties to the treaties of 1835-6 or 1846.

The name of my ancestor through whom I claim a right to share in this fund, is my grandfather, Bark Foreman, better known as Dr. Bark Foreman, he was an indian Doctor, and had quite a repatation in Polk and Bradley Counties, Tennessee, and also in other Counties, as a Doctor. He made his own medicine, mostly from herbs, roots and bark. He also wrote a book on medicine, which was used quite extensively through this country for many years, and some of these books are still in this country and could be found if it is necessary. The above named Dr. Bark Foreman was my grandfather on my mother's side, and he was a full blooded Cherokee Indian.

If any further information or proof is desired, I shall be pleased to furnish it.

Yours very truly,

W W Gallagher

Dear Sir:-

Thadeus T. Mcounkins, who had filed application, being #44919, for participation in the fund allowed the Eastern Cherokees, received a notice stating that his claim had been rejected but it seemed under the order of the Court of Claims that he would be allowed to file exceptions sometime even yet. I don't think there is any doubt but that this old man has a bona fide claim if he only had the opportunity of proving it and if it is possible for him to yet make his proof, which would be nothing more than fairness and justice that he should be allowed to do so, that is, if the order of the Court will allow him to, so knowing nothing of the arrangements myself I simply write to ask you how for this old gentleman to proceed and what he must do in order to prove his claim. I would appreciate it if you would write me the facts concerning this matter.

Thnaking you in advance, I remain,

Their father's name was Bill Williamson. He is not living. My husband claimed Indian blood through his father, Jack Jurdan. I don't know whether Jack Jurdan got his Indian blood through his father or mother. I don't know where he was born. ~~xxx~~ I never heard my husband say anything about Jack Jurdan living in this part of the country. My husband never told me where Jack Jurdan lived. He claimed that Jack Jurdan, his father, was an Indian. I don't know how much.

My name is James Simon Bruce. I first knew Jack Jurdan 21 or 22 years ago. I don't know where he was born or where he came from. When I first knew him he lived in Lumpkin Co. near Cleckleysville. I don't know anything about his father and mother. He got from this country to the Indian Nation. I don't know how long he had lived in this county before I knew him. In 1882 he was living in Lumpkin Co., Ga. I never heard him say anything about getting any money or land from the Government on account of his Indian blood. I don't know the names of his brothers and sisters, and never heard him say what the names of his parents were. I think Jack Jurdan was about 7/4 Indian.

We have a letter from you requesting that we enroll Roy E. Smith, aged eleven years, and Albert D. Smith, aged five years, by reason of their being Eastern Cherokees. You have not stated what relation these children are to you. Have you filed an application If so give your number. The only application we have from a Florence Smith in Missouri, gives South West City, as her address, and she says she has not asked that these children be enrolled, and does not know them.

If these children are Eastern Cherokees, we must have the names of their parents and grandparents, and other relatives, so far as you can give them. Also state whether either parent is living. If they are related to you and you have filed an application state that relationship.

Claim No. 44,928

Miami Okla
July 6, 1908

Special Com. Court of Claims
Washington, D.C.

Dear Sir -

In reply to your letter of July 3rd, 1908 will say that I have never tried to be enrolled.

My father wanted to prove up about 1880 but my mother would not leave Tennessee and he never tried to be enrolled

My Grandmother (Sallie Melton Greene) was very ignorant and did not understand business matters. And I do not know if she or her Mother (who was Elizabeth Huckeby) were enrolled or not

None of my ancestors were slaves

It is through Elizabeth Huckaby that I claim my Indian blood. I do not know if she were still alive in 1835-6 or not if she was would have been quite old- However her daughter who was my grandfa mother was living in Rutherford Co. N.C. that being the time my father was born - 1836.

My Grandmother moved with the tribe to Georgia and lived at or near Dahlonega She also moved to Ala. and Miss. Then she went to Tenn. She always told us she

was part Indian and
indeed she looked it.
I do not know for sure
where the folks lived in
1846 but it Either N.C.
or Georgia -
If you need any more infor-
mation will try and give
it.

Yours very truly
Mrs Ruffy Grund Shriver

Sir: Our reply to yours of the 3rd will say first- that as my title comes through my mother, she was dead before we ever heard that there was any thing due the Cherokees. The first I ever heard of this Indian business was about 12 or 15 yrs ago. When a man came to see me from the Ind. Ty. He, and all others, proposed to fix up Claims for all those who Claimed to have any Cherokee blood. I, and my wife and many others filed our Claims

understanding, that if we go any thing, we would get 160 acres of land.
I never knew what become of that business, but I think it was taken up by people, and were warring for their own interested of that of the Indians So far this reaches, I don't suppose my name was enrolled. There was none of my ancestors claims that I could find.
The Name of the Ancestor through whom I Claim the right to Hold the This Land

was, so I have been informed
Jennie. Jacobs. I don't know
where she lived in 1835-6 &
1846. I, myself, am only 34yrs
old. I have is others here who
are much older than myself,
who claim Jennie Jacobs as their
ancestor. I think these people
that I have just mentioned
are much better informed
in regard to this matter
than myself, and; I also think
that these same people are doing
all in their power to keep a
lot of us in the dark"
They say the reason the Letter-
-Stone"

From what I can find out
I think that L. F. Brooks.
of La Fayette, Tenn. is
claiming every thing in this
portion To keep a lot of his
people in the dark
But if it should happen
that Mr. Brooks was entitled
to one thing about this land
I think I should be also, from
the fact that L. F. Brooks is
my Great Uncle.
The number of my Claim
is 10732
Respectfully.

Dear Sir:- I mailed a letter in ans. to your first letter a few days ago, but will also ans. yours of the 15th Inst.

(1) As I claim to get my Indian blood through my Mother I'm sure she Never knew any thing about This Indian Business in any way up to her death.

I myself have been enrolled, but I suppose this was done through parties who were working for their own interest instead of mine.

(2) None of my ancestors were ever slaves that I ever knew of.

(3) In regard to any of my ancestors being parties to the treaties of 1835-6 and 1846 Will say that I do not know.

(4) All that I know about this matter is, that I have heard my ~~Grand~~ Grand Mother (Martha. E. Tuck of La Fayette, Tenn.) say that we were the descendants of Jennie-Jacobs, and that she was a full blood Cherokee Indian. I dont know any thing about this Matter. more than what old people tell me. and I am sure that some of them could tell me much more than what they do if they wanted to.

There is one thing that I am very positive about, and that is: (over)

if Martha. E. Tuck; L. T. Brooks, or any

I will also be entitled to something also,
as Martha. E. Tuck is my Grand Mother;
L. T. Brooks is my Great Uncle; and that
all of the Brookses and Hargiss of Macon Co. Tenn. are my own

If you want any proof on these last statements
please let me know, and I will furnish same
at once.

Dear Sir:- Some time ago I made application for participation in the Eastern Cherokee fund the number of my claim is No. 44932. I have decided that my application which I have made is not correct, on account of some parties making false statements to me in regard to my kin. There is just a few old people here that can trace thier kin correctly, and they refuge to give me the information that I need in making out my claim. Will you please send me another application blank? There is a number of people here that have not made an application on account of not knowing any thing about it untill it was too late, I myself; am one of these, I am only making application for my Children. There was only a few here that knew any thing about the action of the Court of Claims in regard to this matter, and that same few tried to keep it secret from the balance of us untill it was too late to make application. In regard to my claim will say that my kin comes the same way as that of L. F. Brooks; G. R. Brooks; Martha - E. Tuck, an any of the Brookses. There are Hargises of La Fayette, Tenn.
We all trace our kin back to Jennie. Jacobs.
I can prove my kin to the above mentioned —

- parties, and will do so at once if you think it would be of any benefit to me.
I can prove pasatively, that L. T. Brooks is my Great Uncle, and that Martha. E- Tuck is my Grand mother; she and L. T. Brooks being Bro' & Sister. So I know, that if any of the parties which I have named are entitled to share in the above mentioned fund, that I also should be alowed. So I feel that you will look into this matter at once, and instruct me as to what will be required of me.

P.S. There is people here who have not made application from the fact that they did not know any thing about the action of the court of Claims.
There were others, who went at the appointed time and place, to meet the attorney to file their Claims, and it happened, that the attorney had not supplied himself with enough blanks. This also, was thought to have been done, in order to prevent a lot of people from filing their Claims.
It seames that it has been the intention of a few, to get all they could for themselves, and to prevent as many other people as possable from getting any thing. I would kindly ask you to send a special representative in here to investigate this matter.

Misc1.

Samuexl T. Jones being first duly sworn deposes and says:

I am 42 years of age. Henry Jones and Geraldine Jones are my children and claim their Indian blood through me. Their mother was a colored woman. I claim my Indian blood through my father. My father died in 1903 and he was nearly 70 years of age when he died. My father was born right near Baltimore, Maryland. I don't know whether he claimed through his father or mother but his parents were born or raised I think right around Baltimore. I don't know just when my father's parents died but it is since I can remember. My father came West in about 1875. My father never lived with the Indians as a member of the tribe but I couldn't say about his parents. None of my people were ever held as slaves. My Great grandmother, Fannie Cook or Cox was said to be a full blooded Indian and a member of the Sac and Fox tribe of the Cherokees. I don't know when she was born or when she died. I think she was registered at Ellicott City Maryland on the Indian rolls but I don't now when. Think though that she must have been living in 51 or about that time. She must have been raised around near Baltimore. I never made application to the Laws Commissionx for enrollment. My father nor any of his people ever received any land or money from the Government by reason of their Indian blood. I didn't file my application sooner because we didn't have the information necessary until my relatives in the East first filed? They wrote us about it then and we filed afterwards. Emmaline Colter's mother and my father were brother and sister. Eliza Winn is a sister of Emmaline Colter. My father has a full brother living in Jersey City, New Jersey who has filed application number 19756. His name is Samuel C. Jones. I am recognized as a colored man in the community and my father was recognized as a colored man but anyone could tell that he had Indian blood in him? Mul-tte Jones is my cousin, his father being my brother. He claims only through his father. Clarence Jenkins and Albert Jenkins are my sisters and ran on the claim only through her.

Muskogee, Oklahoma.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, why were you, your parents, or your grandparents never enrolled?

Were any of your ancestors slaves?

Were any of your ancestors old settlers?

State clearly the name of the ancestor through whom you claim the right to share in this fund and where that ancestor lived in 1835 and 1851.

Give any other information obtainable tending to establish your right to participate in this fund.

Please reply promptly and refer to No. 44958.

Very respectfully,

Special Commissioner.

Dear Sir, related to
yow first question as to why, I was never
enrolled, I went before Bixly and he
said there was nothing for me. So I diden
try any more until lately. And why
my parents were not enrolled, they diden
enroll colored people at that time on
the trible roll. But Gen. Stanwaitie my
great grand father was a full blood
Cherokee Indian. And was in enrolled
with the Indians at the time. of the Indians
enrollments. My grand mother was a slave.
Gen. Stanwaiti. Is why she was not enrolled.
My great grand father was a party treaties of
1835-36-46. My Anceste through whom I claim
is Gen. Stanwaiti, Henry Stanwaiti, Joe Stanwaiti,
Tom Stanwaiti, Sam Stanwaiti who resided
in the Cherokee nation, from 1835 to 1851.
My grand mother was a slave of the
Stanwaities. I pass for colored in the Community
in which I live.

Very Respectfully
Susie Hachendull.

Sir:

I have the honor to acknowledge receipt of your letter of December 15, 1908, making inquiry as to the application of Martin L. Hutchins for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees.

In reply you are advised that I am making every effort to complete the enrollment in time to make my report to the Court during the month of May next.

No. 44963

Application No 44,962

State of Tennessee } Daniel T. Ediugburg, on
County of Hamilton } this 10th day of July 1908.

Replys to, Guion Millers' letter of inquiry and states, that he does not know why, his ancestors, were not enrolled as Cherokee indians, if such is a fact they are not; unless it was that, they knew nothing of such enrollment being made, or that it was from fear, that if they did so enroll their names, that they would be forced to leave their native country and take up their abode in a strange country, and this was a prevailing opinion among said indians, and their object, was to keep out of the way, and void any and every movement of a tendency to that effect. Claimant further stating says, for himself, that he had no opportunity to enroll his name as a Cherokee, had no notice of such enrollment, never heard of such enrollment until recently. I make my claim thru my mother, whose name after marriage was Ediugburg, before mar iagher name was Rachel Hardee, and her fathers name was Milton and her mothers name Delphay Hardee, and of course they were Claimants grand parents on his, Claimants mothers side, that his said grandfather was a full blood Cherokee, and grand mother a 1/2 blood Cherokee, that Claimants' mother was a slave but her father was a free born full blood Cherokee

That they, all, that were living, in 1835 and 1851, resided near Wheeland West. Virginia. Claimant further stating says that his said grand father Hardee was killed in a battle, between himself and White Slave traders, in Va, at a time when the Slave traders, were taking the wives and children of the Cherokees away for sale, in some parts further south, which was the habit and custom of such slave traders, to kidnap and gather up indian Children, young girls and women, run them down further south and sell them into slavery. and Claimant states, that, that is the way his mother Rachel Hardee become to be a slave.

Before me, O.W. Sharpe, a Notary Public in and for said State and County personally appeared Henderson Brasher, and who being by me duly sworn did depose and say as follows, to-wit:- My name is Henderson Brasher, and I now file my Eastern Cherokee Indian application at Piedmont Ala.

In addition to the facts set out in my application to state that my Mother was one-fourth Cherokee Indian, and Lily Henderson (nee Taylor) was at least one-half (½) Cherokee Indian. Hundreds and hundreds of times I have heard my Mother speak of her Indian blood, and my Mother took more after the Indians than

Indians used to visit at our house— they were there nearly every day— and I heard my Mother talk with them in the Cherokee Indian language— those Indians could not talk English but my Mother would talk with them in their language. My Mother talked the Cherokee Indian language fluently, and she was recognized by the Cherokee Indians as a Cherokee Indian. My Mother would visit my Mother, and she would visit the Cherokee Indians. I remember that the Cherokee Indians used to bring my Mother baskets made out of straw, and the basket would almost hold water. My Mother often told me I was part Cherokee Indian.

Cherokee Indian words yet—"walkapishil" meant a cow, and "tzeeni" meant a day. The Indians used to say: "White man first, Indian next, day next, and nigger last."

I lived right among the Indians, and knew and raised among them.

My parents moved from South Carolina to Georgia. In Georgia we lived across Chattahoochee river from Whitesburg in Carroll County. I lived in Carroll county, Ga., about 3 miles East of Chief McIntosh's reserve. I remember Chief McIntosh, and he used to visit at our house, and we would visit him on his reserve. McIntosh sold out to the Whites, but reserved some land, and it was called "McIntosh's reserve."

tch, was a Cherokee Indian, and he recognized my mother and Grandmother as Cherokee Indians.

& remember my grandmother Lil[illegible] Henderson (nee Taylor), and while I was a child she was only half Cherokee; yet she looked like a full-blood Cherokee Indian. & do not remember which one of her parents was a full-blood Indian. & have seen my said grandmother associating with Cherokee Indians in South Carolina, and she was recognized by those Cherokee Indians as a Cherokee Indian.

My said grand-mother used to tell me my mother was part Cherokee Indian, and also that I was a part Cherokee Indian. My mother and grandmother would converse with each other

Wiley Ann Ayers (nee Brasher) was a sister of mine, and the following are her children:- William E. Ayers (Application No. 42027), Mandy Price, Fenny L. Ayers, Robert Ayers, Lena Gregory, Farrid Scroggins.

with & am offering evidence of a very old person, who knew this (Henderson's) mother, and who heard her say she was part Cherokee Indian, and that she resembled an Indian.

My office records show that I have sent you a great many affidavits, concerning the Cherokee Indian blood in this particular family, and I think you have certainly made sufficient proof of their Cherokee blood.

If they have not proved their Cherokee Indian blood, how could another body prove their nationality?

That they said they were short headed, and that they looked like Cherokee Indians.

We have proved the declarations made by persons born over a 100 years ago that they were part Cherokee Indian.

Henderson Brazier a negro old man, who resembles the Indians, swore he had always been taught by his mother that he was part Cherokee Indian.

Years ago we find Henry Brazier (Brother of Henderson Brazier and father of D. H. Brazier 45119) making efforts to secure lands in the Indian Nation, or Territory, an account of his Cherokee blood.

The honest belief of this family that we should enroll them is certainly verified by convincing evidence which has been filed herein.

They both State that their Grandparents are on the old Cherokee Rolls. That when the Cherokee Tribe came to the Indian Territory. Their Grandfather did not want to live there, So he went to Arkansas. We were raised there. And our Grand-father died when we were small. We have not been able to get on the rolls since we grew up. Whenever we talked to a Lawyer they would always want all you could get out of it to take it through for us. So we had to let it go until we could get on. There is no Negro Blood in us, we are White people and Cherokee Indians. And we pass as white people in the Community in which we live. We have Relatives in the Cherokee Nation somewhere and they have an Allotment they came here in an early day)

No. 45000.

App. No. 45000.

Cardiff, Ala., July, 24, 1908.

Hon. Guion Miller,

Special Commissioner,

Washington, D. C.

Dear Sir:--

In answer to your letter of the 17th. inst. will state that I have filed Eastern Cherokee Indian application No. 45000. None of my ancestors were ever slaves that I ever heard of. I pass as a white person, and I am part white and part Cherokee Indian. I never had a chance to be enrolled is the reason I was never enrolled, dont suppose my Mother or Grandparents had the chance to be enrolled. I do not know whether any of my Ancestors were parties to the treaties of 1835-36 and 1846 or not.

I not only think, but I know I am entitled to some of the money due to Eastern Cherokee Indians for I am part Cherokee Indian myself.

My Mother, Wiley Ann Ayers (Nee Brasher) was part Cherokee Indian, and she often told me she was part Cherokee Indian and she raised me up with the knowledge that I was part Cherokee Indian.

My Uncle, Henderson Brasher (my Mother's brother) has often confirmed my Mother's statements as to my Cherokee Indian blood. I have from earliest childhood heard my Mother and said Uncle talk about their Cherokee Indian blood, and I have heard them converse in the Indian language; and I have heard them speak about how the Indians used to visit them when they lived with their parents.

As far back as I have heard my Indian ancestry traced was back to my great-grandmother, Lily Henderson (Nee Taylor) who was one-half (1/2) Cherokee Indian woman. Is Lily Henderson (Nee Taylor) on the old rolls?

Dear Sir:

Mrs. L. S. Graham of this city has come to me to get me to try to get some information with reference to her application for participation in the Eastern Cherokee Fund. Heretofore she has executed affidavits, giving her ancestors, together with corroborating witnesses, and forwarded the same to one, Nathan Bickford, 1435 New York Ave., Washington, D. C. We have been writing for three or four months to try to get information from him but he simply sends the same circular letter each time with copies of the old blank affidavits and power of attorneys which she has executed long ago. Kindly advise me if her claim has been filed, and what additional proof is required thereon, so that she may make it.
